

DON'T BELIEVE THE HYPE!

THE REAL WALKING FARM IS AVAILABLE EXCLUSIVELY THROUGH ...

TICOR ELITE

THE TICOR ONLINE MOBILE TOOL

Ticor Elite is a revolutionary new app that lets you pull walking farms on the go! Along with real time stats, this powerful tool shows the count and farm turnover. Ticor Elite combines both our walking farm and our profile app all-in-one, allowing you to maximize your productivity on the go!

BE PRODUCTIVE ON THE GO!

EASIEST & MOST FUNCTIONAL WALKING FARM

- Draw the boundaries of your farm
- Categorize and Tag your properties in List View and Map View
- One-click Property Detail View
- Ability to export Farms

ADDITIONAL FEATURES INCLUDE:

- Access to property ownership records
- Find property tax records
- Property title profile with one easy click
- Comparable Sales
- Easily save reports as a PDF

NEW REPORT LANDING VIEW

- Walk Order: Create a path in your farm start to finish on the map, which will order the list for easy walking.
- List View shows snapshots of properties with high-level information and visual indicators.
